

# Your \_\_\_\_\_ NEW HOME with SOLAR SAVINGS \_\_\_\_\_ awaits!

Your new home comes equipped with a high-efficiency SunPower Equinox Solar system, covered by a 25-year warranty, and is installed by industry-leading Renova Energy. Save even more with a system upgrade!

Upgrading your system means lower monthly expenses, the potential to increase your home's value, and more peace of mind. Check out your options below!

## Plan 1-2

	Upgrade 1x	Upgrade 2x
Usage	Part Time (medium usage)	Full Time (standard usage)
System Size	5.24 kW (16 Panels)	7.848 kW (24 Panels)
Increase to Mortgage*	\$90 Month	\$134 Month
Energy Cost Savings**	\$224 / Month	\$336 / Month
Estimated Savings (year)	\$2,160	\$3,768

**\*Increases to mortgage rates are based on a 30-Year Fixed at 3.5%. Please consult your mortgage lender to determine the actual cost.**

**\*\*Savings are subject to SCE rates. Savings Estimates based on California Energy Commission Study. Go to SCE's site for more information on individual rates.**
